Jostens Found Class Rings

From time to time we receive rings that have been found and are sent to us to locate the original owner. Our records currently only go back four years and we have the following rings stored in our Lost & Found vault for the original owners to claim. Because of the sentimental value of these rings we are currently looking for the owners of the rings in the list below. If you believe a ring in this list might be yours, please call [1-800-854-7464](tel:1-800-854-7464) ext 17978 for warranty services to give more details.
